### **Auto Body World Announces Promotions**

**Spring 2010** - This spring Auto Body World began a new process for certifying employees for promotion to the PM and GM positions. This 90 day internship included training, intense audits, historical performance review of KPI's for their team, testing, and a verbal exam with members of the Executive Team. The goal was to demonstrate their knowledge and understanding of the Rapid Production Model.

*Auto Body World is pleased to announce the following promotions:*

**Noel Brown to General Manager, Bell Rd**  
**Armando Arvizu to Process Manager, Bell Rd**

ABW is excited to begin working with the next group of interns in the near future.
